Rules and Regulations

1. Closed in shoes, eye protection and gloves must be worn. Other Personal Protective Equipment (PPE), is strongly encouraged.
2. No machine (aka, Airleg or a Rockdrill) is to be started until the bridle is down. All machines must start on the ground behind the ladder.
3. No spitting out steels.
4. Any hole that runs along the side of the steel pipe and fails to hit the backplate will result in disqualification
5. A clean hole must be drilled through the back of the concrete cylinder and must hit the rear plate. The block will be checked if in doubt.
6. Timing will start from the front of the drill stand and a false start will see competitors relegated to the rear of the stand. Second false start will result in disqualification. Times will be decided by two stop watches and an average of the two times will be the recorded time.
7. Competitors are responsible for their air and water taps to be turned on.
8. Singles competitors will commence with a short steel and drill to a mark on the steel, then change to the long steel to complete the hole. Short steel to be 90° to the ladder on the ground. 5 foot steel to be vertical in holder at start of drill.
9. Doubles first driller will drill a hole with a 5 foot long steel, retract the machine and steel and carry to the mark, hand over the 2nd driller who will drill the 2nd hole through the same block with the same steel. If holes meet or intersect before exiting the block both entrants will be disqualified in the doubles division.

10. Jack & Jill will start with the male to drill with a short steel, Complete a steel change and put a 5 foot steel back into the block. Run back to the mark and tag the female competitor to finish the hole.
11. The fastest 8 competitors in the Singles and Doubles events will progress through to the quarter finals, the fastest 4 competitors will progress through to the semi finals and the fastest 2 competitors will progress to the grand final (drill off).
Jack & Jill will take the fastest 4 times for the Semis finals, then the fastest two times for the Grand final.
12. The WASM student competition will be the same rules as the Singles competition and will be awarded on the fastest time. Only 1 attempt will be permitted.
13. The Veterans competition will be picked from the fastest 4 times from the Singles division for competitors over the age of 65 years old. These fastest 4 competitors will then drill-off for the title.
14. Novice competitor will be picked out of the fastest time from the Singles event to determine the winner. Novice are competitors who have never drilled in competition before.
15. The head judge has the final say on any decision throughout the competition, which may or may not include grounds for a re-run.
